

How to Apply - Green Living Fund

1

Accessing the Form

Go onto the [Green Living Fund webpage](#) and click on 'Create a Project Proposal' button.

2

Filling out the Proposal Form

Please fill out all the information asked for.

In the Description section, please consider the following points:

- Describe your project
- Set out how it will deliver against the criteria you have selected
- How it will improve quality of life in your community
- How it will help people in your community with the cost of living

3

Additional Information Form

You will also be required to complete an [additional information form](#) to provide some other details to help our screening panel and community voters better understand your proposal. Please attach this to your proposal form when you are submitting it.

4

Enhancing your proposals

You may also wish to enhance your proposal with a video clips, images or other information to showcase your proposal. This can be included at the bottom of the form. Examples include a video of group members and locals talking about the anticipated benefits of the proposed project, or photos showing similar work.
