

# DRAFT COMMUNITY FLOW CYCLE WORKSHOP

A community-centred cycle workshop in Aberfeldy with tools, supplies, expertise, and info for riders of all abilities, budgets, and styles.

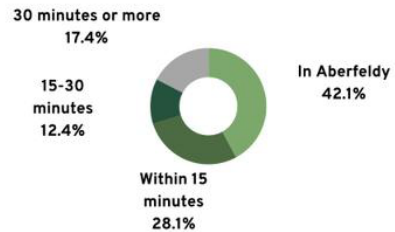

## Community Survey Results

Total Respondents  
As of October 30, 2023

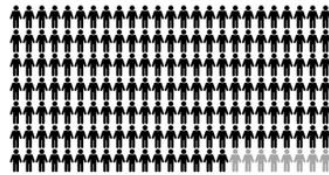

175+ RESPONDENTS

Respondent Location  
Driving distance from Aberfeldy

## Support for a Local Cycle Hub

95%+ of RESPONDENTS support a cycle hub in Aberfeldy

Nearly 8 out of 10 respondents said they ride at least once a month.

### Why do they ride?

- 93% for health and fitness
- 83% for fun
- 56% for minimising environmental impact
- 26% for convenience
- 24% for economic savings

## What They Want in a Hub

and a range of other purposes - social connection, kids bikes, meeting place, etc

87%+ stated they want DIY tools, expert bike servicing, or a place to purchase bike parts/accessories locally.

## What Are We Building?

A community cycle workshop with tools, supplies, expert assistance, and info on where to ride - set up as a Community Interest Company where surpluses are invested back into local cycle initiatives.
