

The children learn actively through school trips and adds reality to their learning.
Teacher RPS

"At the farm trip, we got to clap a real sheep. We saw them being weighed and we learnt so much. I loved seeing all the animals close up."

School trips help bring children's classroom learning to life.
Teacher RPS

"My favourite was the science museum, there was lots of fun things to look at and investigate."

"I can't wait to go on the Stirling Castle trip, I have never been in a castle."

Access To Adventure

"The Victorian factory was so interesting, and I didn't think it would be. Children my age worked in the jute mills."

Children often show increased enthusiasm and interest in learning after their visit.
Teacher RPS

"I like being with all my friends on our school trips, I always like going to Camperdown with my school friends."

"On our school trip I got to hold a snake."

"The discovery ship was good, we got to see where people lived and slept. It was very old and that surprised me."
